Andrew George

Native Harvests E. Barrie Kavasch, 2013-05-27 From clambakes to wild strawberry bread, this practical primer on natural foods not only provides recipes for varied Native American dishes but also describes uses of ceremonial, medicinal, and sacred plants. 147 illustrations.

Language and Social Context Pier Paolo Giglioli, 1990 Even the simplest of spoken statements may provide far more information about the speaker - his social standing, his immediate situation, his relationship with his audience - than he might ever suspect. Sociolinguistics focuses on all the varied aspects of the social organization of speech. We share a linguistic repertoire with members of our social networks (and failure to fit in linguistically may have far-reaching consequences); we also alter our speech patterns according to the specific social situation.

Modern Native Feasts Andrew George, 2013-10-14 Native American cuisine comes of age in this elegant, contemporary collection that reinterprets and updates traditional Native recipes with modern, healthy twists. Andrew George Jr. was head chef for aboriginal foods at the 2010 Winter Olympics in Vancouver; his imaginative menus reflect the diverse new culinary landscape while being mindful of an ages-old reverence for the land and sea, reflecting the growing interest in a niche cuisine that is rapidly moving into the mainstream to become the next big thing among food trends. Andrew also works actively at making Native foods healthier and more nutritious, given that Native peoples suffer from diabetes at twice the rates of non-Natives; his recipes are lighter, less caloric, and include Asian touches, such as bison ribs with Thai spices, and a sushi roll with various cooked fish wrapped in nori. Other dishes include venison barley soup, wild berry crumble, seas asparagus salad, and buffalo tourtière. Full of healthy, delicious, and thoroughly North American fare, *Modern Native Feasts* is the first Native American foods cookbook to go beyond the traditional and take a step into the twenty-first century. Andrew George Jr. is a member of the Wet'suwet'en Nation in British Columbia. He participated on the first all-Native team at the Culinary Olympics in Frankfurt, Germany, and in 2012 was part of a group of chefs from twenty-five countries on a US State

Department initiative called Culinary Diplomacy: Promoting Cultural Understanding Through Food. His first book, *A Feast for All Seasons*, was published in 2010. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A book with many images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

[First Nations Recipes](#) Gregory Lepine, 2014-11 Canada's First Nations peoples based their cuisine on the rich, regionally diverse bounty of the land, sea, lakes and rivers. The recipes in this book feature ingredients at the foundation of Aboriginal culture, such as salmon, venison, bison, fiddleheads, wild rice and berries, and include brief descriptions of their historic relationship with that food. First Nations cuisine draws on millennia of evolution and deserves a lifetime of study. The recipes here represent a selection of favourites from various cultures across the country. They are inspired by traditional Native cooking, but combine historic and currently available ingredients to reflect a contemporary, modern taste.
