The Idiot Elif Batuman, 2018-02-13 A New York Times Book Review Notable Book • Finalist for the Pulitzer Prize for Fiction • Longlisted for the Women's Prize for Fiction "Easily the funniest book I've read this year." —GQ "Masterly funny debut novel . . . Erudite but never pretentious, *The Idiot* will make you crave more books by Batuman." —Sloane Crosley, *Vanity Fair* A portrait of the artist as a young woman. A novel about not just discovering but inventing oneself. The year is 1995, and email is new. Selin, the daughter of Turkish immigrants, arrives for her freshman year at Harvard. She signs up for classes in subjects she has never heard of, befriends her charismatic and worldly Serbian classmate, Svetlana, and, almost by accident, begins corresponding with Ivan, an older mathematics student from Hungary. Selin may have barely spoken to Ivan, but with each email they exchange, the act of writing seems to take on new and increasingly mysterious meanings. At the end of the school year, Ivan goes to Budapest for the summer, and Selin heads to the Hungarian countryside, to teach English in a program run by one of Ivan's friends. On the way, she spends two weeks visiting Paris with Svetlana. Selin's summer in Europe does not resonate with anything she has previously heard about the typical experiences of American college students, or indeed of any other kinds of people. For Selin, this is a journey further inside herself: a coming to grips with the ineffable and exhilarating confusion of first love, and with the growing consciousness that she is doomed to become a writer. With superlative emotional and intellectual sensitivity, mordant wit, and pitch-perfect style, Batuman dramatizes the uncertainty of life on the cusp of adulthood. Her prose is a rare and inimitable combination of tenderness and wisdom; its logic as natural and inscrutable as that of memory itself. *The Idiot* is a heroic yet self-effacing reckoning with the terror and joy of becoming a person in a world that is as intoxicating as it is disquieting. Batuman's fiction is unguarded against both life's affronts and its beauty--and has at its command the complete range of thinking and feeling which they entail. Named

Medieval Exegesis Vol 2 Henri de Lubac,2000-11-01 Translated by E. M. Macierowski Originally published in French, de Lubac's four-volume study of the history of exegesis and theology is one of the most significant works of biblical studies to appear in modern times. Still as relevant and luminous as when it first appeared, the series offers a key resource for the renewal of biblical interpretation along the lines suggested by the Second Vatican Council in Dei Verbum. This second volume, now available for the first time in English, will fuel the currently growing interest in the history and Christian meaning of exegesis.

Beatrice Zinker, Upside Down Thinker Shelley Johannes,2017-08-29 This is the story of an eight-year-old girl who does her best thinking upside down. Her personality is a tractor beam, her attitude is completely inspiring, and her creator is a creative dynamo. Beatrice is looking forward to a year of pirate adventures, zombie battles and upside-down mysteries with her fellow-tomboy best friend, Lenny. But on the first day of year three, Lenny doesn't come to school in a ninja suit like they'd planned - instead she's wearing something pink and sparkly and ruffled. She doesn't seem interested in their old games any more, and worst of all she's found a new friend. It will take Beatrice's best upside-down thinking to find a way to fix this problem.

The Book Trade in the Italian Renaissance Angela Nuovo,2013-06-17 This work offers the first English-language survey of the book industry in Renaissance Italy. Whereas traditional accounts of the book in the Renaissance celebrate authors and literary achievement, this study examines the nuts and bolts of a rapidly expanding trade that built on existing economic practices while developing new mechanisms in response to political and religious realities. Approaching the book trade from the perspective of its publishers and booksellers, this archive-based account ranges across family ambitions and warehouse fires to publishers' petitions and convivial bookshop conversation. In the process it constructs a nuanced picture of trading networks, production, and the distribution and sale of printed books, a profitable but capricious commodity. Originally published in Italian as *Il commercio librario nell'Italia del Rinascimento* (Milan: Franco Angeli, 1998; second, revised ed., 2003), this present English translation has not only been updated but has also been deeply revised and augmented.

perspective of World War I, recounting the experiences of a Roman schoolboy who volunteered to fight against the Allies after Italy surrendered in 1943. But he is not sent to the front. Catherine's War Julia Billet,2020-01-21 “A shining story of a young girl who struggles to come of age and find her place in a world fraught with danger.” —Susan Campbell Bartoletti, Newbery Honor-winning author of *Hitler Youth* * Winner of the Youth Prize at the Angoulême International Comics Festival (voted by readers) * Winner of the Artémisia Prize for Historical Fiction * Winner of the Andersen Premio Prize * A magnificent narrative inspired by a true survival story that asks universal questions about a young girl’s coming of age story, her identity, her passions, and her first loves. At the Sèvres Children’s Home outside Paris, Rachel Cohen has discovered her passion—photography. Although she hasn’t heard from her parents in months, she loves the people at her school, adores capturing what she sees in pictures, and tries not to worry too much about Hitler’s war. But as France buckles under the Nazi regime, danger closes in, and Rachel must change her name and go into hiding. As Catherine Colin, Rachel Cohen is faced with leaving the Sèvres Home—and the friends she made there—behind. But with her beautiful camera, Catherine possesses an object with the power to remember. For the rest of the war, Catherine bears witness to her own journey, and to the countless heroes whose courage and generosity saved the lives of many, including her own. Based on the author’s mother’s own experiences as a hidden child in France during World War II, *Catherine’s War* is one of the most accessible historical graphic novels featuring a powerful girl since *Persepolis* by Marjane

Satrapi—perfect for fans of Markus Zusak’s *The Book Thief*, Anne Frank, or Helen Keller. Includes a map and photographs of the real Catherine and her wartime experiences, as well as an interview with author Julia Billet. “Many of the settings are beautifully detailed, and the characters undeniably expressive. Catherine’s ability to find beauty in the world makes for a forward-looking read.” —Booklist *(starred review)* “This story will make readers want to join the Resistance. Characters are drawn so vividly that, long afterward, readers will remember their names.” —Kirkus An Indie Next List Pick! *A Junior Library Guild selection*

Where the Border Stands Roberto Ruffino, Stefania Chinzari, 2014-10-20T00:00:00+02:00 The worth of dialogue with people who come from other cultural traditions was the first important discovery of the ambulance drivers at the front. It led them to care for the wounded on all sides in the war and then to create university exchanges between France and the United States. The practice of intercultural dialogue is the first training experience that is offered today to the students who leave home and to the families who receive them in their homes as new children for long periods of time. As this story unfolds, it is perhaps the border that emerges as something to question – the political borders that the American Field Service ambulance drivers crossed in two world wars, and the cultural and ideological borders overcome by students, schools, and families that answered the call of AFS.
