

My Year Off Rediscovering Life After A Stroke Picador Classic

Elena Semino,Jonathan Culpeper

My Year Off Robert McCrum,2015-06-18 With an introduction by Henry Marsh, author of Do No Harm My brain, which had just let me down so badly, was perhaps never so active. The paramedics' question was a fundamental one. Who are you? Yes indeed. Who am I? Robert McCrum was forty-two when he suffered a massive stroke which left one side of his body totally paralysed, his speech drastically impaired, and his sense of himself radically altered. What followed was a prolonged period of recovery, full of heart ache and frustration, as he gradually regained sensation, movement and self-esteem and as his family pulled together in the extraordinary effort necessary to make him well again. My Year Off is a moving story of determination, courage and love that sings with wit and honesty. An invaluable insight into the reality of life after stroke, the moments of hope, the anger and despair, this is a touching classic that gives voice to millions.

Psychological Management of Stroke Nadina B. Lincoln,Ian I. Kneebone,Jamie A. B. Macniven,Reg C. Morris,2012-02-27 Psychological Management of Stroke presents a review and synthesis of the current theory and data relating to the assessment, treatment, and psychological aspects of stroke. Provides comprehensive reviews of evidence based practice relating to stroke Written by clinical psychologists working in stroke services Covers a broad range of psychological aspects, including fitness to drive, decision making, prevention of stroke, and involvement of carers and families Reviews and synthesizes new data across a wide range of areas relevant to stroke and the assessment, treatment, and care of stroke survivors and their families Represents a novel approach to the application of psychological theory and principles in the stroke field

Cognitive Stylistics Elena Semino,Jonathan Culpeper,2002-11-05 This book represents the state of the art in cognitive stylistics a rapidly expanding field at the interface between linguistics, literary studies and cognitive science. The twelve chapters combine linguistic analysis with insights from cognitive psychology and cognitive linguistics in order to arrive at innovative accounts of a range of literary and textual phenomena. The chapters cover a variety of literary texts, periods, and genres, including poetry, fictional and non-fictional narratives, and plays. Some of the chapters provide new approaches to phenomena that have a long tradition in literary and linguistic studies (such as humour, characterisation, figurative

language, and metre), others focus on phenomena that have not yet received adequate attention (such as split-selves phenomena, mind style, and spatial language). This book is relevant to students and scholars in a wide range of areas within linguistics, literary studies and cognitive science.

Gift of Tears Susan Lendrum, Gabrielle Syme, 2004-03-01 This thoroughly revised and updated edition of Gift of Tears includes new research and examples of recent events to help illustrate the effects of loss. Containing a strong practical element, the book guides the reader through the process of contemplating and eventually confronting their own relationship to loss. Written by experienced counsellors and psychotherapists, the book contains candid and readable discussions of central issues, including: * how to understand and work with anger and guilt * attachment patterns and loss * historical changes in attitudes to death and bereavement * death as a particular form of loss. Gift of Tears is intended for anyone who finds they have to cope, in the course of their daily lives, with the grief of others. It will prove invaluable to counsellors, therapists, mental health professionals and all those helping the bereaved. www.bereavementarena.com

Changing Bodies Chris Shilling, 2008-06-18 Where are we at with studies of Body & Society? What are the key accomplishments in the field? This book provides the clearest and most comprehensive account of work in this area to date. Based on a novel theory of action it surveys the terrain by arguing that human identity, social relationships and moral figurations develop as a result of people living in and seeking to reach beyond the limits of their bodily being. From this starting point the author undertakes a series of studies on sport, transgenderism, migration, illness, survival and belief which illuminate the relationship between bodily change and action. The book provides an unrivalled survey of theory and empirical research and explores the hitherto neglected tradition of American 'body studies'. Wide in scope, systematic and incisive the book represents a landmark addition to the field of studies in body and society.

The Language and Literature Reader Ronald Carter, Peter Stockwell, 2020-08-19 The Language and Literature Reader is an invaluable resource for students of English literature, language, and linguistics. Bringing together the most significant work in the field with integrated editorial material, this Reader is a structured and accessible tool for the student and scholar. Divided into three sections, Foundations, Developments and New Directions, the Reader provides an overview of the discipline from the early stages in the 1960s and 70s, through the new theories and practices of the 1980s and 90s, to the most recent and contemporary work in the field. Each article contains a brief introduction by the editors situating it in the context of developing work in the discipline and glossing it in terms of the section and of the book as a whole. The final section concludes with a 'history and manifesto', written by the editors, which places developments in the area of stylistics within a brief history of the field and offers a polemical perspective on the future of a growing and influential discipline.

Rose Boys Peter Rose, 2013-06-26 Robert Rose was a promising cricketer and footballer in the mould of his father, Bob, Collingwood's greatest player. Robert's brother, Peter, was on the way to a literary career as a poet and later a publisher. On

St Valentine's Day in 1974 a terrible car accident changed the Roses forever. For the next quarter century Robert Rose lived as a quadriplegic. *Rose Boys* is Peter Rose's portrait of his brother. It is a heartbreaking account of a family united and ravaged by misfortune: a story of love, courage and endurance. This bestselling memoir comes with a new introduction by Brian Matthews. Peter Rose grew up in Wangaratta, Victoria, and is principally known as a poet and memoirist. His first book of poetry, *The House of Vitriol*, appeared in 1990. His fifth collection, *Crimson Crop*, won a Queensland Literary Award in 2012. In 2001 he published a family memoir, *Rose Boys*, about his late brother Robert, who was an outstanding sportsman before a car accident left him a quadriplegic. *Rose Boys* was a bestseller and won the 2003 National Biography Award. Rose is also the author of two novels, *A Case of Knives* (2005) and *Roddy Parr* (2010). He has twice edited the annual anthology *The Best Australian Poems* and is a frequent reviewer; his literary journalism has appeared in many publications. Throughout the 1990s he was a publisher at Oxford University Press. Since 2001 he has been editor of *Australian Book Review*. 'A book of immense emotional force that is a eulogy to his brother, a tribute to his parents and a powerful demonstration of the redemptive quality of suffering.' Meanjin 'A deeply felt, passionately uplifting story.' Weekend Australian 'A deep family story of suffering, love and passionate devotion, richly and freshly told.' Helen Garner 'Rose Boys is an intimate and moving - though never maudlin - story of familial love...often simple, sometimes rich and lyrical, and always cliché free.' Time 'I'm not sure when I last came across someone who has written so powerfully about death.' Martin Flanagan, Age

An Extra Pair of Hands Kate Mosse, 2021-06-03 'Inspiring' GUARDIAN 'Heartbreaking' INDEPENDENT 'I loved it' ADAM KAY 'Beautiful' MATT HAIG 'Luminous' NICCI GERRARD 'Essential reading' MADELEINE BUNTING 'A celebration' CHRISTIE WATSON ----- A Best Book for Summer in The Times, Guardian and The Independent Book of the Month ----- Caring is an issue that affects us all - as bestselling novelist Kate Mosse knows all too well. Kate has cared in turn for her father and mother, and for Granny Rosie, her 90-year-old mother-in-law. Along the way she has experienced the joys, challenges and frustrations shared by an invisible army of carers. At the heart of this care lie everyday acts of love, and the realisation that, sooner or later, most of us will come to rely on an extra pair of hands. ----- 'Lifts the spirits without pulling punches' IAN RANKIN 'Irresistible' RACHEL JOYCE 'Questions how and why we fetishise independence when the reality of human experience is always interdependence' GUARDIAN, BOOK OF THE DAY 'Heartfelt, funny and at times heartbreaking. 10/10' INDEPENDENT 'Utterly beautiful' FRANCESCA SEGAL

My Year Off Robert McCrum, 1998-09 A frank and moving memoir of the stroke that felled the author at his peak of vigor and achievement.

My Year Off Robert McCrum, 1999 The story of his stroke, and his battle to recover.

Every Third Thought Robert McCrum, 2017-08-24 As read on BBC Radio 4 Book of the Week 'Moving, intellectual and unsentimental. I think it will become a classic' Melvyn Bragg 'Thoughtful, subtle, elegantly clever and oddly joyous, Every

Third Thought is beautiful' Kate Mosse In 1995, at the age of forty-two, Robert McCrum suffered a dramatic and near-fatal stroke. Since that life-changing event, McCrum has lived in the shadow of death, unavoidably aware of his own mortality. And now, in his sixties, he is noticing a change: his friends are joining him there. Death has become his contemporaries' every third thought. And so, with the words of McCrum's favourite authors as travel companions, Every Third Thought takes us on a journey towards death itself. This is a deeply personal book of reflection and conversation - with brain surgeons, psychologists, hospice workers and patients, writers and poets, and it confronts an existential question: in a world where we have learnt to live well at all costs, can we make peace with dying?

Queen Square: A History of the National Hospital and its Institute of Neurology Simon Shorvon, Alastair Compston, Martin Rossor, Andrew Lees, Michael J. Clark, 2019 A comprehensive history of the National Hospital, Queen Square, and its Institute, placed within the context of British neurology.

The Vivisector Patrick White, 2011-01-11 Hurtle Duffield is incapable of loving anything except what he paints. The men and women who court him during his long life are, above all, the victims of his art. He is the vivisector, dissecting their weaknesses with cruel precision: his sister's deformity, a grocer's moonlight indiscretion and the passionate illusions of his mistress, Hero Pavloussi. It is only when Hurtle meets an egocentric adolescent whom he sees as his spiritual child does he experience a deeper, more treacherous emotion.

Wild Cheryl Strayed, 2023-08 'One of the best books I've read in the last five or ten years... Wild is angry, brave, sad, self-knowing, redemptive, raw, compelling, and brilliantly written, and I think it's destined to be loved by a lot of people, men and women, for a very long time.' Nick Hornby

Etty Etty Hillesum, 2002 In the midst of the horrors of the Nazi Holocaust, Etty's writings reveal a young Jewish woman who celebrated life and remained an undaunted example of courage, sympathy, and compassion. Through this splendid translation by Arnold J. Pomerans, commissioned by the Etty Hillesum Foundation, readers everywhere will resonate with the spirit of this amazing young woman.

Black Swan Green David Mitchell, 2008-09-04 'ONE OF THE MOST BRILLIANTLY INVENTIVE WRITERS OF THIS, OR ANY, COUNTRY' Independent Shortlisted for the Costa Novel Award and longlisted for the Booker Prize 'Gorgeous' Daily Mail 'Uproariously funny' Evening Standard 'Spellbinding' Tatler 'Brilliant' New York Times Book Review 'Luminously beautiful' The Times The Sunday Times bestselling fourth novel from the critically acclaimed author of Ghostwritten and Cloud Atlas January, 1982. Thirteen-year-old Jason Taylor - covert stammerer and reluctant poet - anticipates a stultifying year in his backwater English village. But he hasn't reckoned with bullies, simmering family discord, the Falklands War, a threatened gypsy invasion and those mysterious entities known as girls. Charting thirteen months in the black hole between childhood and adolescence, this is a captivating novel, wry, painful and vibrant with the stuff of life. PRAISE FOR DAVID

MITCHELL 'A thrilling and gifted writer' Financial Times 'Dizzily, dazzlingly good' Daily Mail 'Mitchell is, clearly, a genius' New York Times Book Review 'An author of extraordinary ambition and skill' Independent on Sunday 'A superb storyteller' The New Yorker

Blue Latitudes Tony Horwitz, 2003-08-01 New York Times Bestseller: A Pulitzer Prize-winning author retraces the voyages of Captain James Cook: "Alternately hilarious, poignant, and insightful." —Seattle Times Captain James Cook's three epic journeys in the eighteenth century were the last great voyages of discovery. His ships sailed 150,000 miles, from the Arctic to the Antarctic, from Tasmania to Oregon, from Easter Island to Siberia. When Cook set off for the Pacific in 1768, a third of the globe remained blank. By the time he died in Hawaii in 1779, the map of the world was substantially complete. Tony Horwitz, author of *Confederates in the Attic*, vividly recounts Cook's voyages and the exotic scenes the captain encountered: tropical orgies, taboo rituals, cannibal feasts, human sacrifice. He also relives Cook's adventures by following in his wake to places such as Tahiti, Savage Island, and the Great Barrier Reef to discover Cook's embattled legacy in the present day. Signing on as a working crewman aboard a replica of Cook's vessel, Horwitz experiences the thrill and terror of sailing a tall ship. He also explores Cook the man: an impoverished farm boy who broke through the barriers of his class and time to become the greatest navigator in British history, whose voyages helped create the "global village" we know today. "With healthy doses of both humor and provocative information, the book will please fans of history, exploration, travelogues and, of course, top-notch storytelling." —Publishers Weekly "Horwitz retells the sailor's story and tries to re-create first contact from the point of view of the locals—Tahitians, Maoris, Aleuts, Hawaiians, and others—and judge the legacy of his landing . . . thought-provoking . . . brims with insight." —Booklist "A rollicking read that is also a sneaky work of scholarship . . . new and unexpected insights into the man who out-discovered Columbus. A terrific book." —Nathaniel Philbrick, National Book Award winner and New York Times–bestselling author of *In the Heart of the Sea* "Well-researched, gripping, and peppered with humorous passages." —St. Louis Post-Dispatch "Part Cook biography, part travelogue, and very much a stroke of genius." —Philadelphia Inquirer

The Story of India Michael Wood, 2015-05-14 In *The Story of India*, Michael Wood weaves a spellbinding narrative out of the 10,000-year history of the subcontinent. Home today to more than a fifth of the world's population, India gave birth to the oldest and most influential civilization on Earth, to four world religions, and to the world's largest democracy. Now, as India bids to become a global economic giant, Michael sets out on an epic journey across this vibrant country to trace the roots of India's present in the incredible riches of her past. *The Story of India* is a magical mixture of history and travelogue, and an unforgettable portrait of India - past, present and future.

Identity in Crossroad Civilisations Erich Kolig, Vivienne S. M. Angeles, Sam Wong, 2009 Deze bundel gaat over de vorming van identiteit door het samenspel van etniciteit, nationalisme en de effecten van globalisering. De essays in

Crossroad Civilisations: Ethnicity, Nationalism and Globalism in Asia maken de gelaagdheid en de complexiteit hiervan duidelijk.

No Limits Judy Hunt,2019-07

My Year Off Rediscovering Life After A Stroke Picador Classic Introduction

In todays digital age, the availability of My Year Off Rediscovering Life After A Stroke Picador Classic books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of My Year Off Rediscovering Life After A Stroke Picador Classic books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of My Year Off Rediscovering Life After A Stroke Picador Classic books and manuals for download is the cost-saving aspect.

Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing My Year Off Rediscovering Life After A Stroke Picador Classic versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, My Year Off Rediscovering Life After A Stroke Picador Classic books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device

used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics.

Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing My Year Off Rediscovering Life After A Stroke Picador Classic books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for My Year Off Rediscovering Life After A Stroke Picador Classic books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library

hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, My Year Off Rediscovering Life After A Stroke Picador Classic books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With

platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of My Year Off Rediscovering Life After A Stroke Picador Classic books and manuals for download and embark on your journey of knowledge?

FAQs About My Year Off Rediscovering Life After A Stroke Picador Classic Books
