The Worst Children's Jobs in History Tony Robinson,2006 Your paper round will never seem as bad again!*The Worst Jobs in History* takes you back to the days when being a kid was no excuse for getting out of hard labour. This book tells the

stories of all the children whose work fed the nation, kept trains running, and put clothes on everyone's backs, over the last few hundred years of Britain's history. No longer will you have to listen to your parents, grandparents, uncles, neighbours, and random old people in the Co-op telling you how much harder they had it in their day. Next time you find yourself in that situation, ask them if they were a jigger-turner or a turnip-picker in their young day. No? An orderly boy, perhaps? A stepper? Maybe they spent their weekends making matchboxes? Still no? Then they have no idea about the real meaning of hard work. With profiles and testimonies of real kids in rotten jobs, this book will tell you things you probably didn't want to know about the back-breaking, puke-inducing reality of being a child in the past.

And now her best friend, Abigail, cares more about parties and boys than about hanging out with Sophie. Lost in memories of the life she had before that terrible day, Sophie retreats into herself. But it's only so long before she must confront the tragedy of her past so she can face the future.

The Worst Class in the World Gets Worse Joanna Nadin, 2021-01-07 'Deliciously silly, with hilarious catchphrases... a great cheer-up book' The Guardian 'HILARIOUS! Proper laughs!' Pamela Butchart _____ A laugh-out-loud young fiction series from bestselling author Joanna Nadin, perfect for fans of Horrid Henry. According to head teacher Mrs Bottomley-Blunt, 4B is the WORST CLASS IN THE WORLD. She says school is not about footling or fiddle-faddling or FUN. It is about LEARNING and it is high time 4B tried harder to EXCEL at it. But Stanley and Manjit didn't LITERALLY mean to flood the toilets when they should have been monitoring the playground. And they definitely didn't LITERALLY mean to bring a penguin home from the zoo on their school trip. These things just happened even though they had a FOOLPROOF plan to get away with them.

Bad Panda Swapna Haddow, 2021-06-29 Are you sick of being utterly adorable? Tired of being cuddled and hugged? Everyone thinks that Lin is the cutest panda in the world. So much so that they ship her off to the local zoo, away from her beloved brother, to be ogled at by the masses. But Lin HATES being cute, and now she will do everything in her power to prove that she's the baddest, meanest, most un-cute animal in the zoo.
